

1-13-2: The coaching box shall be outlined outside the side of the court on which the scorer's and timer's table and team benches are located. The area shall be bounded by a line drawn 28 feet from the end line towards the Division line. At this point a line drawn from the sideline toward the team bench becomes the end of the coaching box going towards the end line.

Note: State Associations may alter the length and placement of the 28 foot (maximum) coaching box.

Effective Immediately. Tape may be used to extend the 14-foot line to 28 feet.

Rationale: The restriction of the coaching box penalizes the level of communication between coach and player. Allowing a coach freedom to move within the new box between the 28' mark and the end line provides a coach more access to coach his/her players.
